

Annual General Meeting, Montreal Ottawa Conference
Conference Nominating Committee Report

“The Nominating Committee Report is never complete, it is a work in progress.”

Words like these have introduced the report of the Nominating Committee for the last several years. This year those words hold special significance as we make our way into a new structure that will facilitate our ministering together. The question becomes - what will God require of us as we move forward?

Annual Report time is an opportunity to look back at what has been accomplished. A great deal has been completed to meet the needs of the various Conference Committees over the years. Dedicated and passionate volunteers have worked many hours to strive for the success of our church and God’s call to us. Thank you!

Annual Report time is an opportunity to look at the present. I want to thank everyone who is named in this report. Thank you for generously giving your time to make sure the work of the church is done. I especially want to thank the members of the Conference Nominating Committee who have worked hard to find volunteers at a time when the uncertainty of what lies ahead has led to reluctance to commit to committees and projects.

Annual Report time is an opportunity to look ahead. In the coming months, we will need guidance in some key positions that will lead us into our future.

Thank you again to all who serve.

I move the adoption of this report as presented.

Respectfully Submitted
Margie Ann MacDonald
